MAKING SHIPPING WORK FOR YOU

UNRIVALLED COVERAGE

Connect to Europe and beyond

We support your business growth by giving access to a world of new markets. Our own network delivers a consistently high quality service level right across Europe, from Moscow to Madrid.

EASE OF USE

Book your shipment and relax

Whether you choose to pick up the phone or go online, booking a shipment couldn't be easier. No more worrying about additional delivery attempts or billing instructions, we take care of everything.

PEACE OF MIND

Visibility from pickup to delivery

Along with our state-of-the-art online Track and Trace and reporting tool we can offer Electronic Information of Delivery (IOD) or Proof of Delivery (POD). Unforeseen problems with the shipment? Our experts are on hand to help immediately.

FLEXIBILITY

Create your own service package

Every business is unique. With a wide range of optional features and services, we can tailor a service package to your unique requirements. Whether it's a handover by appointment at the door or the handling of oversized, unusual or hazardous cargo, we have the capability you need.

RELIABILITY

High frequency service across borders

No matter your cargo's destination, you can rely on our high frequency service operating on more than 2,000 international lines.

SUSTAINABILITY

Taking our responsibility seriously

We take our role as a sustainable partner seriously. We set ourselves clear CO₂ efficiency targets to make road transportation more sustainable and can even provide an analysis of your shipment's CO₂ footprint, along with the best options to offset those emissions.

DHL FREIGHT EUROCONNECT AT A GLANCE
