

Own BIO-CNG* stations on site for Post & Parcel Germany

First BIO-CNG station in Greven, Germany - 12 CNG gas stations in operation by the end of 2024

Customer Challenge

- **No network** of truck compatible CNG stations in Germany
- **Other providers** withdraw from the market
- Makes it difficult to use **CNG trucks in the linehaul**

DHL Solution

- Post & Parcel Germany builds its **own BIO-CNG stations for trucks**

Benefits and Impact

- More affordable **purchase prices** for gas
- **Denser network of truck compatible gas stations**; necessary for using CNG trucks in linehaul
- BIO-CNG offer for other **transport service providers** who work for Post & Parcel Germany

*CNG = Compressed Natural Gas
