INTEGRATED SOLUTIONS

Freight Euronet • Lead Logistics Partner • Logistics Consulting • Customs Consulting • Door-To-More • Transport Related Warehousing

DHL FREIGHT EURAPID IS NOW CLIMATE NEUTRAL!

With DHL Freight Eurapid, we are now offering a sustainable day-definite priority groupage product at no extra cost for you.

With the recently implemented green feature we promise to contribute to internationally recognized climate protection projects to offset carbon emissions. This leads to a certified climate neutralization along your entire supply chain. Every year, you will get a certificate with the amount of the offsetted carbon emissions.

PRIORITY NETWORK

We keep on expanding our DHL Freight network to ensure connecting the main economic areas in Europe with a day-definite service representing more than 95% of all business addresses.
