GET YOUR QUOTE FOR ROAD FREIGHT 24/7!

Enter dhl.com/fqt in your browser and select the country where your shipment needs to be collected to access the Freight Quotation Tool

1. CHOOSE YOUR ROUTE

To get the Freight Quotation Tool started, please enter the area code of your shipment's origin as well as the destination and its area code. Afterwards click on the next button to get further and enter the details of your shipment.

2. DETAILS ABOUT THE SHIPMENT

For "Groupage - Less than Truck Load" shipments please enter the dimension details, weight to be shipped and also if your shipment is palletized/stackable. In case you would like to add a second shipment click on "Add item". In this section you can also choose to insure your shipment, if you like. To get your quote online please click on the red button after filling all required fields.

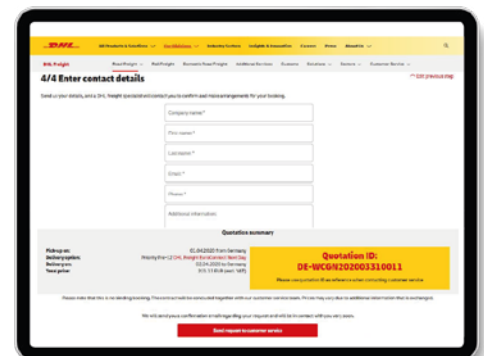

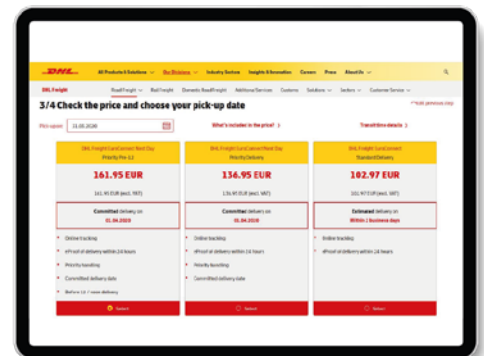

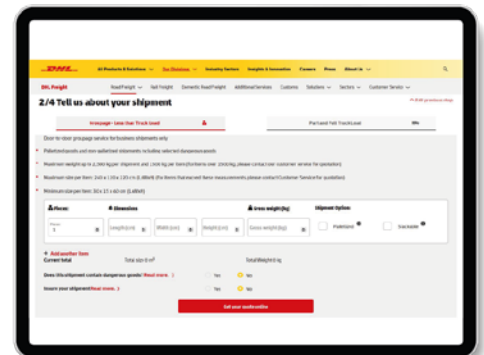

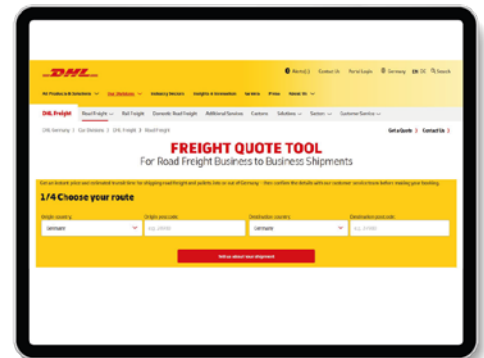

3. CHOOSE PRODUCT & PICK-UP DATE

Now you instantly receive your price quote and transit time estimate. Thereby you can choose between DHL Freight's LTL standard service EuroConnect and the LTL premium product, Eurapid, offering top-priority treatment of shipments which results in committed delivery times.

4. CUSTOMER CONTACT DETAILS

After your selection of the preferred product you can proceed with your booking by entering your contact details. By clicking "Send to customer service" you receive your Quotation ID as reference and you will be contacted by our customer service team as soon as possible.
