Subject  Situation Israel – DGF Charter Operations

Dear customer,

To best serve your capacity needs for the transport of goods to and from Israel, we have set up a temporary charter flight operation between LGG (Liège) and TLV (Tel Aviv). These cargo flights are operated by DHL StarBroker, the inhouse carrier of DHL Global Forwarding. For now we can confirm following rotations (roundtrip flights LGG-TLV-LGG):

<table>
<thead>
<tr>
<th>LGG-TLV</th>
<th>20-OCT-2023 / ETD 12:30 UTC / ETA 16:30 UTC</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>22-OCT-2023 / ETD 16:00 UTC / ETA 20:00 UTC</td>
</tr>
<tr>
<td></td>
<td>25-OCT-2023 / ETD 10:00 UTC / ETA 14:00 UTC</td>
</tr>
</tbody>
</table>

Aircraft Type  B767-200 Freighter

Carrier  StarBroker Charter

Charter Payload  40 tons

Commodity  Consolidated Cargo (incl. DG)

Provided we receive further traffic right approvals and subject to aircraft availability and first and foremost the safety of our aircraft crew, we will establish further flights to cover for the demand.

In case you have capacity requests, or you need further information, please contact your direct account manager or customer service representative.

Kind regards,

DHL Global Forwarding
