Ocean Freight:

Currently, all ports in Israel remain open, and operations are continuing. Please note that all DGR (Dangerous Goods) shipments must be approved in advance prior to shipping.

Please be assured that we are working with the carriers to keep the impact on your transports as limited as possible, and we will keep you closely informed of any news.

We will continue to monitor this situation and provide further updates. Meanwhile, should you have any comments or questions, please contact your local DHL sales or customer service representative, as they will be able to assist you with any concerns.

Sincerely
Your

DHL Global Forwarding Air and Ocean Freight-Team
