### **Privacy Notice in China**

As part of the Data Protection Compliance Project conducted by mainland China and Hong Kong, Data Protection Privacy Policy has been incorporated into the existing website of DHL Global Forwarding China (DGF CN) & Hong Kong.

With the PRC "Cyber Security Law" applies in China in November of 2016, DGF CN would like to make below statement on the new version of website for DGF CN as below:

Certain shipment data will be provided to the authorities of the country of transit or destination for customs and tax clearance or for security screening, as required by the laws of such country. The information provided would usually include: shipper name and address, receiver name and address, description of the goods, number of pieces, weight and value of shipment.

Certain shipment data will be possibly used by DHL and/or third parties or provided to the authorities of the country of departure, transit or destination for customs and tax clearance or for security and/or trade sanction and export control screening, as required by the laws of such country, the U.S. and E.U. law if applicable, and UN conventions. The information provided would usually include: shipper name and address, receiver name and address, description of the goods, number of pieces, weight and value of shipment.
