

DHL PARCEL INTERNATIONAL DIRECT FROM CHINA TO UNITED KINGDOM

E-commerce sales revenue is expected to increase to GBP 69 billion by 2020 up from 28 billion in 2012¹. Close to half of the shoppers in Britain make purchases from international retailers, of which China accounts for the vast majority.² DHL eCommerce can help you reach your products to the UK in a reliable and cost effective manner so your customers can shop without any hassle.

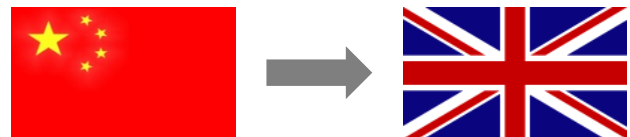

DHL Parcel International Direct provides you an end-to-end shipping solution to drive your e-business into the United Kingdom

E-Commerce Made Easy

We know what it takes to grow and sustain your e-commerce business – we are the e-commerce specialist and offer solutions to drive your cross border e-business into the United Kingdom market

DHL Parcel International Direct is our reliable and efficient international shipping solution, offering all the advantages your e-commerce business needs to provide the best possible service to your customers in United Kingdom and Northern Ireland. Our direct-to-consumer solution ensures faster and more reliable shipping than conventional mailing options.

DHL's Integrated Network – Powering Up Your Deliveries

Our network covers right from China to every corner in the UK and Northern Ireland. Through our extensive coverage, we can deliver your orders from China to your customers' doorsteps in excellent condition. With this efficient solution, you will be able to seize the opportunities and exceed your customer satisfaction to grow your cross border e-business in the United Kingdom
