

## DHL ECOMMERCE UK

**DOUBLING**  
OUR CAPACITY WITH A  
**£482M**  
INVESTMENT

CREATING MORE THAN  
**4,000**  
NEW JOBS  
ACROSS THE UK

**SUSTAINABLE GROWTH**  
THROUGH ALTERNATIVE FUEL VEHICLES  
& BUILDINGS THAT MEET THE  
**HIGHEST** ENVIRONMENTAL  
STANDARDS 

We've seen a 40% volume uplift since the start of 2020 and soaring demand for e-commerce and B2B services. The expansion project is designed to deliver the right infrastructure to facilitate growth as well as putting our business at the forefront of sustainable and digital logistics.

**25k m<sup>2</sup> hub** - capacity  
to handle over 500k  
items per day

**Expected to create  
over 600 new jobs**  
including warehouse,  
driver, administration  
and management  
positions

**Secure bonded  
storage and customs  
capabilities** to support  
international  
e-commerce

**156 doors**  
**which includes 48**  
with a cross dock  
facility and state of  
the art mechanisation

**Automatic sortation**  
of mixed sized and  
weight items through  
high-speed sortation  
equipment

## £190M INVESTMENT IN NEW & EXISTING COLLECTION AND DELIVERY SITES ACROSS THE UK

**10 brand new collection  
and delivery sites** across the UK

**20 more existing sites**  
will be expanded.

**Creating an additional 3,500  
jobs** across the country.

The locations of the new sites have been strategically chosen to reduce the distance required to serve customers, enabling further roll-out of electric vans and improving speed of service.

# SUSTAINABLE GROWTH

THROUGH ALTERNATIVE FUEL VEHICLES & BUILDINGS THAT MEET THE HIGHEST ENVIRONMENTAL STANDARDS

MISSION 2050  
**ZERO EMISSIONS**  
**GOGREEN**

**GOGREEN**

Designed to achieve BREEAM 'Excellent' status

LED lighting on sensors throughout

7,000m2 of solar panels

EV charging points for cars

LGV electric charging points throughout

Sustainable fuel capabilities to pre-empt technology developments in larger vehicles over the coming years

Landscaping to protect the natural biodiversity of the area

**DEUTSCHE POST DHL GROUP AIMS TO ACHIEVE ZERO-EMISSIONS LOGISTICS BY 2050.**

## WHAT WE'RE DOING NOW!

£64m invested in upgrading the company's fleet with a major focus on alternative fuel vehicles

18 electric tug vehicles

30 Liquefied Natural Gas (bio-LNG) trucks

6 fully electric 18tn trucks

This roll-out will be followed by further sustainable fleet investment going forward.

The investment in sustainable infrastructure and vehicles supports Deutsche Post DHL Group's sustainability strategy which is in line with the Paris Agreement through the Science-Based Targets initiative (SBTi).

**IN TOTAL, DEUTSCHE POST DHL GROUP WILL SPEND €7 BILLION IN SUSTAINABLE FUEL AND CLEAN TECHNOLOGIES BY 2030.**

# WE'RE HERE TO GROW WITH YOU

*"This investment is a real demonstration of the excellent work our people and partners have delivered over the past two years to get us to the level of growth where major expansion is required to meet customer demand."*

Peter Fuller  
CEO, DHL eCommerce UK

*"The Covid pandemic has not only driven digitalization, but also significantly changed consumer behavior, rapidly accelerating the growth of e-commerce and shifting shopping habits. At Deutsche Post DHL Group we believe this shift to online shopping will remain intact and, as e-commerce is one of the important pillars in our Group Strategy 2025, we'll continue to invest in the sector."*

Pablo Ciano  
CEO, DHL eCommerce Solutions.
