

DHL PARCEL INTERNATIONAL DIRECT FROM INDIA TO UNITED STATES

By 2018, 41 million American cross border online shoppers will spend close to \$80 billion¹ a year and e-commerce sales is projected to grow to \$548 billion by 2019². This makes US the most attractive destination for Indian sellers contributing to 50% of international shipments³. DHL eCommerce cross border solutions are optimized for e-commerce so your products shipped to US reach your customers hassle free, in a cost effective and reliable way.

DHL Parcel International Direct provides you an end-to-end shipping solution to drive your e-business into the American market.

E-Commerce Made Easy

We know what it takes to grow and sustain your e-commerce business – we are the e-commerce specialist and offer solutions to drive your cross border e-business into the American market.

DHL Parcel International Direct is our affordable international shipping solution which provides a wide range of advantages and at the same time ensures a more reliable shipping than conventional mailing options.

DHL's Integrated Network – Powering Up Your Deliveries

Our network covers right from India to United States. Through our extensive coverage, we can deliver your orders from India to your customers at their doorstep in great condition. Through this efficient solution, you will be able to seize the opportunities and exceed your customer satisfaction to grow your cross border e-business in the United States.
