

AID & RELIEF

Supporting Humanitarian Organisation - Around the world

DHL Global Forwarding

has a network of specialized operations - in a global strategic position - dedicated to supply efficient logistic services for agencies involved in relief, aid and humanitarian operations carried out by International, Governmental and Non Governmental Organizations.

All our facilities are staffed with professionals with extensive knowledge of logistics and support services in both developed and developing countries, and are able to provide the highest standards of service on a global basis.

Some recent operations

- Airport Logistics Tsunami Disaster 2004
- Emergency response to the 2004 tsunami disaster
- Airport logistics and distribution services in support of Operation Katrina 2005
- Air maps in support of the Darfur program 2005/2006
- Emergency response to the 2005 earthquake in Pakistan
- Relief operations in the Philippines 2006
- Flood relief emergency intervention Kenya 2006

Coverage Southern Sudan

The recent peace agreement signed between the Government of Sudan and the SPLA has resulted in the need to provide secure logistical support to many agencies involved in humanitarian aid delivery and peace-building operations. To this end, **DHL Global Forwarding** has established corridors across Sudan and Kenya/Uganda using both road and river transport, as well as specialist air support operations using AN 12, AN 72, C130 and Cessna Caravan aircraft.

Democratic Republic of Congo

Developments within the DRC have increased DHL Global Forwarding's network coverage across the country. Our air services to Kinshasa with shipments to strategic destinations within the DRC have proven to be efficient, reliable and cost-effective. DHL Global Forwarding's air operations are supported by our Ocean and Overland operations, using the three main gateways to DRC Matadi in the west and Mombasa and Dar es Salaam in the east and south.
