

Japan - Shipping Conditions for Online Quotation Tool

- All business transactions are in accordance with our standard conditions.
- Rates are based on current tariffs and may change with/without any notices.
- Your shipment can be insured by our cooperative insurance company at an attractive premium. We recommend you to insure your cargo in case of an accident during transportation.
- Above quotation is not applicable for cargo containing dangerous cargo, dry ice cargo, over-sized cargo and cargo requiring for special handling.
- Freight charges are calculated by actual weight or volume weight, whichever is higher.
- Pick Up/Delivery "Free on Truck" basis.
- Consolidation truck limitation for delivery: up to chargeable weight 500 kg, 2 pallets, 180 cm in length and 160 cm in height.
- Any special handling occurred other than above items, will be charged "at cost".
- Rates exclude duties, taxes,VAT and Storage. Duties, taxes,VAT and Storage will be charged based on local regulation separately.
- Unless separately agreed in writing in respect of DGF's special legal responsibilities, DGF shall not be liable for any consequences of a deviation from any temperature control requests made by Customer relating to its provision of transportation services.
- Above quotation does not include 10% JP Consumption Tax.
- When ordering, to DHL Global Forwarding Japan K.K.("DGF"), based on these Quotations, any of its service(s) such as international air and/or ocean transportation, and any related services, including inland transportation and customs clearances (the "Services"), the Customer is taken to have agreed, on its behalf and on behalf of anyone else with an interest in the shipment, that the Services are provided according to DGF's standard trading terms, as referred to below (overall, the "Standard Trading Terms"), from the time that DGF accepts the order for the Services. The Standard Trading Terms are comprised of (a) conditions of carriage in the Danmar Lines Limited bill of lading and sea waybill and the DGF house air waybill, which DGF may update from time to time (the "DGF Transport Document"); and (b) Japan International Freight Forwarders Association Inc (JIFFA)'s Freight Forwarders Standard Trading Conditions (2010) (the "DGF Conditions"). Copies of current version of the documents are available at DGF website (http://www.dhl.co.jp/ja/logistics/customer_resource_area/terms_and_conditions.html). Where a DGF Transport Document is issued, the terms and conditions contained or evidenced in such DGF Transport Document shall, in so far as these are inconsistent with the DGF Conditions, govern the Services in respect of which the DGF Transport Document is issued. To the extent the Services are not covered by any DGF Transport Document (including a situation where a standalone domestic transportation service is being provided), the DGF Conditions shall apply.
