\* Charges for DAT / DAP / DDU / DDP export airfreight shipments to South China via Hong Kong Airport

\*\* Office hours: Monday to Friday from 06:00AM – 07:00PM

## Airfreight Conditions

- We will charge 3% Collection fee over the above foreign costs on our invoice (minimum EUR 25,00 per shipment).
- DDP shipments are subject to storage and governmental charges.
- Accepted rates are valid until further notice and subject to change based on airline rate changes and space availability.
- Surcharges are subject to change and vary per carrier.
- Above rates are only valid for normal, stackable and non dangerous goods with a maximum height of 160 centimeters.
- Dangerous goods & battery shipments are always subject to carrier approval; additional charges might apply.
- Rates will be charged per kilogram based on the chargeable weight, unless otherwise specified.

## General Conditions

- Above mentioned rates are excluding VAT, duties and advance payment fee (3% over VAT and duties).
- For shipments within the European Union above rates are excluding 21% VAT.
- Payment terms: in case no credit has been granted to your company, payment by means of wire transfer. In case credit has been granted to your company, payment must occur within 14 days after the invoice date.
- This offer is based upon the current surcharges & possibilities. In case significant changes do occur, for example in exchange rates and/or fuel prices or situations which have direct consequences on rates or space allocations, we reserve the right to adjust our rates accordingly.
- Additional charges due to governmental and/or industry laws and guidelines will be charged as per outlay.
- All wooden packing materials and/or wooden pallets, do require a specific treatment as per the ISPM 15 (International Phytosanitary Measure 15).
- Shipments arriving at DHL Global Forwarding via third party logistic providers, will be invoiced for all freight charges.
- For a correct customs handling and clearance, a signed declaration 'Direct Representation' is necessary.
- Did you know that DHL also offers a GOGREEN product which neutralizes the CO<sup>2</sup> emissions from your transportations? Please ask your account manager for more information.
- The HAWB IATA 2010 conditions are applicable on all our activities.
- The Dutch Forwarding Conditions in the latest version, deposited by "FENEX" of the District Court at Rotterdam, shall apply. We may waive the arbitration clause. The conditions will be sent to you upon request. You can also observe or download these conditions at [FEXEX Conditioes \(NL\)](#) or [FENEX Conditions \(EN\)](#) You expressly agree with the contents and the appliance of the Dutch Forwarding Conditions.
