All "DHL Parcel" designations refer to DHL Parcel Polska Sp. z o.o.  
This Price List applies to companies and institutions when it results from a written arrangement contained in a separate contract for the provision of transport services. The current version of the price list is available at [www.dhlparcel.pl](http://www.dhlparcel.pl).  
In the event of a delay in the payment of the amount due by the Requestor, DHL Parcel will start the debt collection process. DHL Parcel will inform the Customer about the amount due. In the event of failure to pay the indicated amount, the transfer form of payment will be blocked and at that time the prices specified in the document **Service Price List Domestic and International Shipments for Individual Clients** valid at the moment of shipment posting will apply. The reinstatement of bank transfer payment and the application of this price list will take place after the payment of the outstanding amount by the Requestor is made.  
Information on the characteristics of individual products, additional services and surcharges as well as availability and terms of service can be found in the following documents: **Characteristics of DHL Parcel services and surcharges** (applies to domestic and international offers) **General Terms & Conditions for the Provision of Domestic Shipping and Postal Services of DHL Parcel Polska Sp. z o.o.** (applies to the domestic offer), **General Terms & Conditions of Transport of DHL eCS Europe** (applies to the international offer), available at [www.dhlparcel.pl](http://www.dhlparcel.pl) or in the DHL Parcel Customer Service Department.

\* Customs clearance is obligatory, with the exclusion of Northern Ireland.

They refer to the first delivery attempt and are in business days (days from Monday to Friday, excluding public holidays in the country of posting, transit and delivery), based on average transit times in the DHL Parcel network. They do not constitute part of the contract.

The expected delivery time is measured from the day after dispatch. Customs clearance time is not included in transit time.
