

PEACE OF MIND WITH DHL CARGO INSURANCE

YOUR FREIGHT IS SUSCEPTIBLE TO ACCIDENTS,
THEFTS AND NATURAL DISASTERS. DHL CARGO
INSURANCE CAN HELP.

It's a common misconception that a freight shipment is automatically compensated by our trading conditions in case of damage or loss. However DHL is a limited liability company and your cargo is not insured by us. Even though we take the utmost care, your goods can be damaged or lost and the full value of your shipment is at risk. DHL Cargo Insurance is your solution.

DHL Freight – Excellence. Simply delivered.
