DHL Freight Sweden

Create shipping documents and/or arrange pickup

Scope: This instruction only applies for the DHL products EuroConnect, Eurapid (groupage) and EuroLine (part and full loads) with incoterm EXW or FCA.

N.B.: terminal based shipments up to 2500 kg chargeable weight.

Volumetric weight is the volume the shipments takes in relation to the actual weight.

If your country in question cannot handle the EDI connection, you are able to book the shipments by DHL Freight Sweden webpage.

Step 1: To book your collection use the following web address:

<https://www.dhl.com/se-en/home/our-divisions/freight/book-online.html>

There are two (2) options to choose from

Step 1: Book Direct – Access without Login. Schedules pick up only, without Freight Documents

Step 2: Book a pickup and create Freight Documents

Fill in your shipment information and create your labels and waybills.

The below step has 5 different sections, which are required to complete your pickup and/or labels.

N.B. The booking confirmation informs you that the booking has been received by DHL Freight. If the desired pickup date or value-added service cannot be provided by DHL Freight, an agent will be in contact with you to re-schedule the pickup or value-added services.

2. Attach the label on the shipment and waybill if you are shipping dangerous goods or part/full loads
3. Ensure the driver signs receipt of the shipment upon collection.
(That is your proof that the shipment has been collected and should be kept until the shipment is delivered)

Tips and tricks with regards to the labelling of goods

- Always attach the label on a flat surface.
- Avoid attaching the label over edges or corners of the package.
- All labels printed on paper (not sticky labels), should be inserted into the plastic pocket to provide protection from the weather and ensure they do not tear during transportation.
- Labels attached to wooden boxes, should be stapled to prevent detachment during transport.
