

DHL Parcel International Expedited

Reach customers around the world faster than ever. DHL Parcel International Expedited leverages the express courier network to offer expedited shipping to over 180 countries and territories, combining industry-leading transit times with full visibility and duties paid in advance — seamless shipping experience from checkout to customer doorstep.

Key features

Fastest delivery

Direct transportation to the destination country and doorstep delivery by an express courier network, complementing our eCommerce business solution.

End-to-end visibility

Accurate tracking throughout transit, right through to final delivery confirmation. Estimated Day of Delivery (EDD) is also available in select destinations to give customers clearer expectations.

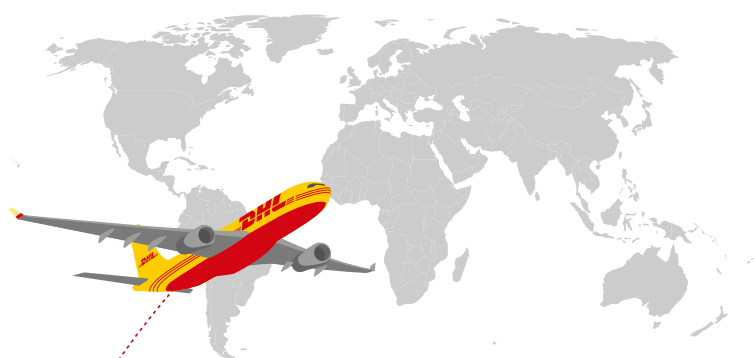

Delivered Duty Paid (DDP) included

Prepay duties and taxes to remove surprise fees at delivery and improve successful deliveries.

DHL Duty & Tax Calculator

Show duties and taxes at checkout to reduce uncertainty and help improve cart conversion.

Transit time:
Averaging

1-7

days to Canada, the United Kingdom,
and major EU member states.
