

# DHL BPM

## Reliable delivery for printed materials

DHL BPM (Bound Printed Matter) moves your bound, stapled, glued, stitched, or spiral-bound marketing and editorial materials quickly and cost-effectively, nationwide.

## Powered by our nationwide network

From pickup to final delivery, real people manage every step. We collect your shipments, sort and process them through our network of distribution centers, then transfer them to the postal network for final delivery. We work as an extension of your team, keeping your bound printed matter moving, while giving you clear visibility along the way.

## Service options that fit your operation

Choose the level of service that strikes the right balance of transit time and cost that works best for your business.
