

DHL Parcel & DHL Parcel Plus

Your partner for residential parcel delivery

DHL Parcel and Parcel Plus help you deliver to customers across the U.S. with confidence. With these products, you get reliable nationwide coverage, consistent transit times, and full visibility so you can keep your operation running smoothly and customers informed.

At DHL eCommerce, you get a team of logistics pros who help keep your operation running smoothly. We support you at every step – from pickup and labeling to moving your shipments through our robust nationwide network of distribution centers, before handing them off to the postal network for final delivery. And throughout it all, you have real partners in your corner, committed to helping your business move forward.

Fast, reliable – and better for the planet

If you need quick, consistent service without the premium price tag, Expedited Max is the way to go. Plus, every Expedited Max shipment is carbon neutral through certified offset projects, supporting DHL Group's Mission 2050: Zero Emissions. Good for your customers, and good for the environment.

Key features:

- Full tracking visibility through DHL Vantage
- Flexible pickup times
