

DHL Parcel International Direct

Expand into new international markets with confidence. DHL Parcel International Direct connects your business to 37 key global e-commerce destinations, offering your customers a dependable courier-like delivery experience without the high cost of traditional premium shipping.

By focusing on the largest, fastest-growing consumer markets, and leveraging DHL's global logistics expertise, you get a shipping solution built for both growth and efficiency.

Transit time:
3-10
business days

Key features

Faster delivery to key markets
Direct transportation to the destination country and doorstep delivery through by a trusted partner helps shipments move faster than typical postal alternatives.

End-to-end visibility
Accurate tracking throughout transit, right through to final delivery confirmation. Estimated Day of Delivery (EDD) is also available in select destinations to give customers clearer expectations.

Cost-effective courier experience
Offer a courier-style delivery experience while keeping shipping costs under control.

Delivered Duty Paid (DDP) option
Prepay duties and taxes to remove surprise fees at delivery and improve successful deliveries.

DHL Duty & Tax Calculator
Show duties and taxes at checkout to reduce uncertainty and help improve cart conversion.
