Take advantage of these optional services.
Because every business is different, and every day brings something new, DHL Express offers a variety of optional services and handling options to meet your shipping needs.

- **Insurance**: Additional financial protection based on the value of the shipment.
- **Packaging**: From free-of-charge standard flyers and envelopes to premium quality boxes of different shapes and sizes.
- **Proof of delivery**: A copy of the signature collected at the time of delivery.
- **Proactive delivery notification**: We can monitor where your shipment is from pickup to delivery and as soon as it is delivered, notify you by fax or e-mail, whichever is more convenient.
- **Remote Area Service**: If you need DHL Express to deliver your shipment to a remote part of the country, that's no obstacle for us. We'll let you know what the options are.

Your shipments are never out of sight.
DHL Shipping Tools extend from simple online booking to sophisticated systems that integrate shipping with other business processes, offering you the ultimate in efficiency and convenience.

DHL Tracking Tools use advanced shipment event management technologies to ensure that you know where your shipment is at all times. These tracking options are available to you free of charge:

- **Website**: Log on to www.dhl.com. Just select tracking and enter the waybill number of the shipments you wish to track.
- **E-Mail**: Send an e-mail containing up to ten distinct waybill numbers to track@dhl.com.
- **SMS tracking**: You can track the progress of single waybill via the text messaging service on your mobile phone. Just send your waybill number to (+44) 7720 334455 at the cost of a local SMS.
- **WAP tracking**: You can also check shipments via any WAP enabled GSM network including 3G mobile phones. Just log on to wap.dhl.com.
